Dear Fellow Car Owner:

As you probably know, Governor Gray Davis recently tripled the Car Tax that all California vehicle owners must pay in order to register their vehicles. The 300% increase will take effect for vehicle registrations due in October 2003, with bills likely being mailed to homes and businesses in August. On average, this illegal tax increase will cost car owners \$158 per year.

The Car Tax increase is not right, it's not fair, and it's not legal, and I am taking steps to assure the tax is reduced. To that end, I have teamed up with the Howard Jarvis Taxpayers Association to file a lawsuit to overturn Governor Davis' tripling of the Car Tax. The courts, however, will take some time to hear the case and eventually reverse the tax. In the meantime, there are steps you can take now to prepare yourself for an eventual refund that will also send a clear message to Davis' administration that you are adamantly against increasing the Car Tax.

I have attached a refund form that you can send in with your car registration materials, assuming your registration expires in October 2003 or after. This will inform the Department of Motor Vehicles (DMV) that you consider the tax illegal and will be expecting a refund once the tax is overturned. Also, the more refund requests submitted to the DMV, the more pressure there will be to lower the tax without legal action.

To complete the process please:

- 1) Complete the attached form for each vehicle you register;
- 2) Mail the completed form with your vehicle registration renewal fee if your registration expires in October 2003 or after;
- 3) Make a copy of the refund form, your check and DMV bill, and save them for your records.

Don't be discouraged if your refund is immediately denied, as it will likely take a year or more to overturn the tax. But by submitting your claim, and keeping a record of your overpayment, you will be establishing your claim for a refund.

Please feel free to direct any questions you may have about the refund to my Capitol office at (916) 319-2070. You can also check my website at http://republican.assembly.ca.gov/members/70 for periodic updates on my efforts to reduce the Car Tax and save your hard-earned dollars.

Sincerely,

JOHN CAMPBELL

Assemblyman, 70th District

APPLICATION FOR REFUND

INSTRUCTIONS (PART 1)

This application form (ADM 399) can be used to request refunds for vehicle/vessel registration, driver license, identification card, special certificate, financial responsibility, and other fees and/or penalties collected by the Department of Motor Vehicles (DMV). Refund is due when fees were paid in error or were not required to be paid to DMV as stated in Vehicle Code §42231 and/or Revenue and Taxation Code §10901.

DMV cannot refund the vehicle/vessel registration fees if the vehicle/vessel was (1) sold after fees were paid or became due, (2) wrecked after fees became due or (3) operated in the state only part of the year after fees became due.

This is a 2-part application form. Part 1 is the instructions for completing the Application for Refund. Part 2 is the Application for Refund which you complete as an applicant.

DMV will not honor refund requests that are:

- · for registration fees:
 - when they were paid prior to the sale of the vehicle.
 - when the vehicle was operated after the new registration year.
 - covering a portion of the year.
- · for duplicate certificates and/or stickers when they were applied for voluntarily.
- · for parking fees. Please contact the issuing agency or the court for the parking fee refund.
- · for use tax. Please contact the State Board of Equalization for the use tax refund.
- received more than three years after the payment was made. This is due to the statute of limitations and the fact that DMV's records are no longer available for verification.
- · for a commercial driver license application when an applicant decides against the license.

To apply for a refund of fees and/or penalties collected by DMV that were erroneous, excessive, or not due:

- · Read the instructions (front and back of Part 1) thoroughly to determine if a refund of fees is due.
- · Detach Part 1 (Instructions for Application for Refund).
- · Complete Part 2 (Application for Refund). See the instructions on the reverse side of Part 1.
- Submit Part 2 to the nearest DMV office or mail to:

Department of Motor Vehicles

PO Box 942869 MS A235

Sacramento, California 94269-0001

To expedite your refund, attach one of the following documents evidencing payment of sums claimed:

- a photocopy of the cancelled check (front and back) showing proof of payment. If payment was made twice to DMV, please submit photocopies of both cancelled checks.
- · receipts issued by DMV.
- · vehicle registration card.

To further substantiate your refund request, you may be asked to submit:

- · the Registration Card and the sticker for the year fees are requested to be refunded.
- a Notice of Release of Liability (REG 138) giving the name and address of the purchaser and the date of the sale.
- · a Certificate of Nonresident Military Exemption (REG 256) form.
- the Certificate of Title issued for the vehicle or vessel for which the fees are requested to be refunded (if a change or correction of vehicle or vessel description is also involved).
- a Statement of Facts (REG 256) completed and signed authorizing DMV to issue the refund in your name (if you are other than the registered owner or selling dealer).
- proof of the medical condition which prevented issuance of a driver license.

NOTE: You will be notified of the disposition of your refund request within 30 days from the date of receipt of the Application for Refund in Sacramento. If additional items are needed, you will be notified by mail.
